

ALEXION CHAWONG ANAK JIMI

Bintulu, Sarawak | +60 11-3148 5838 | chawongalexion@gmail.com

PROFILE SUMMARY

First Class Honours Bachelor of Education (Information Technology) graduate from Universiti Pendidikan Sultan Idris (UPSI), with strong interest in English-medium, student-centred teaching environments. Experienced in teaching *Asas Sains Komputer*, Pendidikan Moral, and *Bahasa Iban* at secondary level, integrating ICT, digital learning tools, and interactive pedagogies to enhance student engagement. An adaptable and professional educator motivated to foster academic excellence and digital literacy in students of diverse backgrounds.

CORE TEACHING & ICT SKILLS

- ICT-integrated & student-centred teaching
- Lesson planning (RPH) aligned with curriculum standards
- Classroom management & student engagement
- Digital learning tools: Canva, Google Slides, Kahoot, Quizizz
- Basic web development & MySQL database management
- Google Workspace & Microsoft Office

TEACHING EXPERIENCE

Teaching Intern

SMK Dang Anum, Melaka | Feb - Jun 2025

- Taught *Asas Sains Komputer* (Form 1 & Form 3) and Pendidikan Moral (Form 3) in accordance with the KSSM curriculum.
- Planned and delivered daily lesson plan / *Rancangan Pengajaran Harian* (RPH) aligned with learning standards and lesson objectives.
- Conducted interactive lessons using project-based learning, inquiry-based activities, group discussions, and digital tools, aligned with 21st-century learning practices.
- Guided students in developing logical thinking, basic programming concepts, and technological skills.
- Assisted with formative and summative assessment, classroom management, and monitoring of student learning progress to support differentiated instruction.
- Actively involved in co-curricular activities including Kelab Bahasa Melayu, badminton, and SEGAK programme.

ICT Intern

PPD Teluk Intan | Jun - Aug 2025

- Supported ICT operations including basic troubleshooting, data management, and system maintenance.
- Assisted in managing school databases and digital reporting systems.
- Contributed to the development of *Sistem Dashboard Pengurusan Rancangan Makanan Tambahan* (RMT) to streamline student data management.
- Collaborated with staff to improve efficiency in handling student-related information.

Guru Ganti (MYStep)

SMK Dang Anum | Sep - Nov 2025

- Supported teaching (Science and Mathematic Form 1) and learning activities across multiple classes during teacher absences.
- Assisted with student welfare, discipline, attendance records, and co-curricular programmes.
- Collaborated with teachers to ensure continuity of instruction and student support
